UPS Delivers Safe Driving Expertise to Boys & Girls Clubs of Central Florida

UPS NASCAR Driver David Ragan Joins Local Teens to Promote Safe Driving Program

WHAT: UPS, Boys & Girls Clubs of Central Florida and local Orlando officials will present *UPS Road Code*SM, a comprehensive teen safe driving course that incorporates UPS's world-class safe-driving methods, including the latest interactive tools originally developed to train UPS's newest generation of drivers.

UPS and Boys & Girls Clubs of America have joined forces to prevent the leading cause of adolescent deaths in America, by teaching teens to drive more safely. Despite this fact, students in Orlando often aren't getting the driving skills they need to stay safe behind the wheel. The UPS Foundation has given \$1.5 million to this cause nationally and is supplying driving experts to serve as volunteer instructors.

NASCAR Driver David Ragan and Orange County Sheriff Jerry Demings will discuss the importance of safe driving with local teens.

WHEN: Tuesday, February 9, 2010
4 - 6 p.m. EST

WHERE: Boys & Girls Club of Central Florida – Walt Disney World Branch
5211 Hernandez Drive
Orlando, Florida 32808

WHO: David Ragan, NASCAR Driver and UPS Road Code Spokesperson
Executives from UPS and Boys & Girls Clubs of America/Central Florida
Boys & Girls Club teens
UPS veteran drivers
Orange County Sheriff Jerry Demings
