

Boys & Girls Clubs of Lake and Sumter Counties Receives Disney Grant for Project Learn

Orlando, FL October 2, 2017 – Boys & Girls Clubs of Lake and Sumter Counties (BGCLSC) recently received \$50,000 from Walt Disney World Resort through Disney Grants. The grant will help fund Project Learn, which reinforces the academic enrichment and school engagement of young people during the time they spend at the Club.

Along with 99 other nonprofits and organizations throughout Orange, Osceola, Seminole, Lake and Polk counties, BGCLSC was granted by Disney at a ceremony held today and received a special “Mousecar” award. In all, Walt Disney World Resort awarded nearly \$4 million in Disney Grants in support of efforts to positively impact the lives of over 300,000 local children and their families.

The Disney Grants directly support Central Floridians and help to strengthen our neighborhoods, inspire our children, create stronger family bonds and promote a more compassionate environment.
